§ 1-2. Definitions. The word "person" as used in this title includes all individuals, corporations, firms, associations, and bodies politic. Other terms used shall be construed as defined in the Code of Virginia, particularly §§ 1-13.1 through 1-13.34. The use of the masculine gender includes the feminine gender as well.

§ 1-2.1. Uniformity of Interpretation Between This Title and the Laws of the Commonwealth of Virginia. It is the purpose of this title that its provisions should adopt and make applicable to this municipality the laws of the Commonwealth of Virginia relating to the subjects for which provision is made herein, in order that uniformity of application and interpretation may be attained. No application or interpretation of this title, regardless of the wording of any section of this title, shall deviate from that uniformity of application and interpretation between comparable provisions of this title and the laws of the Commonwealth of Virginia, except where such deviation is required by differing governmental or administrative requirements.

§ 1-3. General Penalty for Violation of This Chapter. Any person who violates any section of this chapter for which a punishment is not specifically provided shall be guilty of a class 1 misdemeanor; provided however, no punishment shall exceed the punishment established for the same offense in the Code of Virginia. (See generally Code of Virginia, § 18.2-12).

§ 1-4. Punishments for Classes of Misdemeanors. The authorized punishments for conviction of a violation of any provision of the town code are:

§ 1-5. Injunctive Relief Against Continuing Violations of Ordinances. The town, in addition to the penalty imposed for the violation of any ordinance, may seek to enjoin the continuing violation thereof by proceedings for an injunction brought in the Circuit Court of Rockingham County, Virginia. (See Code of Virginia, § 15.2-1432). (Amended April 5, 1999).

§ 1-5.1. Courthouse Surcharge on Warrants and Summonses. There is hereby imposed and levied by the Town, under the authority of and subject to § 14.1-133.2 of the Code of Virginia, an additional fee of Two Dollars (\$2.00) to be taxed as costs in any criminal or traffic warrant or summons involving an alleged violation of a town ordinance, in either the Circuit Court, General District court or the Juvenile and Domestic Relations Court. This additional assessment shall be paid by the appropriate clerk to the Town Treasurer, and it shall be held by the Treasurer, for the maintenance, construction or renovation of a courthouse, jail or court-related facilities and to defray increases in costs of cooling, heating, electricity, and ordinary maintenance. The funds held by the Treasurer for the aforementioned purposes shall be expended upon terms to be specified by the council. (Added September 10, 1990).

- (b) The Town Council, through its own agents or employees may remove, repair, or secure any building, wall, tree or any other structure which might endanger the public health or safety of other residents of the town if the owner and lien holder of such property, after reasonable notice and a reasonable time to do so, has failed to remove, repair or secure the building, wall, or other structure. For purposes of this section, repair may include maintenance work to the exterior of a building to prevent deterioration of the building or adjacent buildings. For purposes of this section, reasonable notice includes a written notice (i) mailed by certified or registered mail, return receipt requested, sent to the last known address of the property owner and (ii) published once a week for two successive weeks in a newspaper having general circulation in the locality. No action shall be taken by the locality to remove, repair or secure any building, wall or other structure for at least thirty days following the latter of the return of the receipt or newspaper publication.
- (c) In the event the Town Council, through its own agents or employees, removes, repairs, or secures any building, wall or any other structure after complying with the notice provisions of this section, the costs or expenses thereof shall be chargeable to and paid by the owners of such property and may be collected by the town as taxes and levies are collected;
- (d) Every change authorized by this section with which the owner of any such property shall have been assessed and which remains unpaid, shall constitute a lien against such property, ranking on a parity with liens for unpaid taxes and enforceable in the same manner as provided in Article 3 (§ 58.1-3940 et seq. and § 58.1-3965 et seq.) of chapter 39 of Title 58.1 of the Code of Virginia.

(See Code of Virginia, § 15.2-106).

§ 1-40. Penalty and Interest for Failure to Pay Accounts When Due. No penalty

shall be imposed for failure to pay any account if the Town Treasurer determines that such failure was not in any way the fault of the debtor. Interest at the rate of 10% annually from the first day following the day such account is due, may be collected upon the principal and penalty of all such accounts. (See Code of Virginia, § 15.2-105). (Amended April 5, 1999).

§ 1-41. *Indecent Exposure.* Every person who intentionally makes an obscene display or exposure of his person or the private parts thereof, in any public place, or in any place where others are present, or procures another to so expose himself, shall be guilty of a class 1 misdemeanor. No person shall be deemed to be in violation of this section for breast feeding a child in any public place or any place where others are present. (See Code of Virginia, § 18.2-387). (Amended April 5, 1999).

§ 1-42. *Profanity, Swearing and Intoxication in Public, etc.* Any person who profanely curses or swears or is intoxicated in public, whether such intoxication results from alcohol, narcotic drugs or other intoxicant or drugs of whatever nature shall be deemed guilty of a class 4 misdemeanor. Nothing in this section shall be construed to make it unlawful to participate in a game of chance conducted in a private residence provided such residence is not commonly used for such games of chance, and there is no operator as defined in § 18.2-325(3) of the Code of Virginia, nor shall anything in this section be construed to prevent any contest of speed or skill between men, animals, fowl or vehicles where the participants (or their owners) may receive prizes depending upon whether they win or lose. (See Code of Virginia, §§ 18.2-326, 18.2-333 and 18.2-334).

§ 1-45. *Illegal Gambling Devices.* Any person maintaining or permitting the use of a gambling device within the town shall be guilty of a class 3 misdemeanor. A gambling device is any machine, apparatus, implement, instrument, contrivance, board or other thing (including, but not limited to those dependent upon the insertion of a coin or other object for their operation) which operates, either completely automatically or with the aid of some physical act by the player or operator, in such a manner that depending on elements of chance, it may eject something of value or determine the prize or other thing of value to which the player is entitled. However, the return to the user of nothing more than additional chances or the right to use the machine is not something of value, and machines that only sell different items of merchandise of equivalent value are not gambling devices. (See Code of Virginia, §§ 18.2-325 and 18.2-326).

§ 1-46. *Injuring Vehicles.* Any person who shall individually or in association with one or more others willfully break, injure, tamper with, or remove any part or parts of any motor vehicle, trailer, or semi-trailer for the purpose of injuring, defacing or destroying such motor vehicle, trailer or semi-trailer, or temporarily or permanently preventing its useful operation, or for any purpose against the will or without the consent of the owner of such motor vehicle, trailer or semi-trailer, or who shall in any other manner willfully or maliciously interfere with or prevent the running or operation of such motor vehicle, trailer or semi-trailer, shall be guilty of a class 1 misdemeanor. If ten (10) days elapse after written notice from the Town Council or officer to whom the authority is delegated to the owner or occupants of such property without such condition being abated or removed, the town may abate it or remove it, charging the cost thereof to such owner or occupant and collecting such costs in the same manner as the local real estate tax. The maintenance of nuisances is unlawful. Persons maintaining nuisances shall be guilty of a class 3 misdemeanor, whether or not the Town seeks to abate the nuisance. (See Code of Virginia, § 15.2-1115). (Amended April 5, 1999).

§ 1-48.1 Cutting of grass and weeds.

- (a) The owners of vacant property, whether developed or undeveloped, shall cut all grass, weeds and/or other foreign growth on the property whenever any significant portion of the grass, weeds and/or other foreign growth on the property exceed eight inches in height from their base to their most extended growth.
- (b) Upon the failure of the property owner to cut the grass, weeds, and/or other foreign growth as specified in paragraph (a) of this section, the town (through its agents or employees) may cut all of the grass, weeds, and/or other foreign growth on the property at the owner's expense, after written notice as provided in this paragraph. The notice shall contain the provisions of this section; it shall be mailed to the owner at the address shown in the town's tax records, and it shall state that the town will cut the grass, weeds, and/or foreign growth unless the property owner does so within seven days from the date the notice is mailed.
- (c) If the town (through its agents or employees) cuts the grass, weeds, and/or other foreign growth, costs and expenses in doing so shall be charged to the property owner. The costs and expenses shall be collected by the town in the same manner as are real property taxes, and they shall constitute a lien on the property.
- (d) No agricultural operation shall violate this section if such operations are conducted in accordance with the existing best management practices and comply with existing laws and regulations of the Commonwealth. The term "agricultural operation" as used in this sub-section is as defined in Code of Virginia § 3.1-22.29 (b).
- (e) For purposes of this section, "vacant" shall mean unoccupied.
- (f) Notwithstanding § 1-3 of this title, violations of this section shall not constitute a criminal offense. (See Code of Virginia §15.2-1115).

(Enacted April 5 1999).

Such vehicle shall be presumed to be abandoned if such vehicle lacks

- (a) (1) a current license plate, or
- (2) a current town sticker, or

- (3) a valid state inspection sticker; and
- (b) has not been moved for four (4) days or longer.

The person at whose request such vehicle is removed from privately owned property shall indemnify the town against loss or expense incurred by reason of such removal, storage, or sale thereof and costs incurred in locating the owner. No motor vehicle, trailer, semi-trailer, or parts thereof will be removed from private property without the written request of the owner, lessee, or occupant of the premises.

Each removal shall be reported immediately to the office of the Town Superintendent who shall in turn cause written notice to be given to the owner of such vehicle as promptly as possible. The owner shall pay the town all reasonable charges incidental to such removal and storage prior to reobtaining possession of such vehicle. Should such owner fail or refuse to pay the cost or should the identity or whereabouts of such owner be unknown and unascertainable after a diligent search has been made, and after notice to him at his last known address and to the holder of any lien of record in the office of the Department of Motor Vehicles in Virginia against the motor vehicle, trailer, semi-trailer or parts thereof, the vehicle shall be treated as an abandoned vehicle. The Town Superintendent may then, after holding the motor vehicle, trailer, semi-trailer or parts thereof for 30 days and after due notice of sale, dispose of the same at public sale and the proceeds from the sale shall be forwarded by the selling officer to the Town Treasurer; provided, that if the value of such motor vehicle, trailer, semi-trailer, or parts thereof be determined by three disinterested dealers or garagemen to be less than one hundred fifty dollars it may be disposed of by private sale or junked. If no claim has been made by the owner for the proceeds of such sale, the remaining funds may be deposited to the general fund or any special fund of the town. Any such owner shall be entitled to apply to the town within three years from the date of such sale and if timely application is made therefore, the town shall pay the same to the owner without interest or other charges. No claim shall be made nor shall any suit, action or proceedings be instituted for the recovery of such funds after three years from the date of such sale. (See Code of Virginia §§ 46.2-1200, 46.2-1201, 46.2-1213 and 46.2-1217).

§ 1-50. Restriction of Keeping of Inoperative Motor Vehicles, etc.; Removal of Such Vehicles.

- (a) It shall be unlawful for any person, firm, or corporation to keep, except within a fully enclosed building or structure or otherwise shielded or screened from view, on any property zoned for residential or commercial or agricultural purposes any inoperative motor vehicle, trailer, or semi-trailer, as such are defined in § 46.2-100 of the Code of Virginia. As used in this section, an "inoperative motor vehicle" shall mean any motor vehicle (a) which is not in operating condition, or (b) which for a period of 60 days or longer has been partially or totally disassembled by the removal of tires and wheels, the engine, or other essential parts required for operation of the vehicle, or (c) for which there are displayed neither valid license plates nor a valid inspection decal. The provisions of these sections shall not apply to a licensed business, which on June 26, 1970, was regularly engaged in business as an automobile dealer, salvage dealer, or scrap processor.
- (b) The owners of property zoned for residential, commercial, or agricultural purposes shall, at such time or times as the Town Council may prescribe, remove therefrom any such inoperative motor vehicles, trailers, or semi-trailers that are not kept within a fully enclosed building or structure. The council, through its own agents or employees, may remove any such inoperative motor vehicles, trailers, or semi-trailers, whenever the owner of the premises, after reasonable notice, has failed to do so. In the event the council, through its own agents or employees, removes any such motor vehicles, trailers, or semi-trailers, after having given such reasonable notice, the town may then dispose of such motor vehicles, trailers, or semi-trailers after giving additional notice to the owner of the vehicle. The cost of any such removal and disposal shall be chargeable to the owner of the vehicle or premises and may be collected by the town however taxes and levies are collected; and every cost authorized by this section with which the owner of the premises shall have been

assessed, shall constitute a lien against the property from which the vehicle was removed, the lien to continue until actual payment of such costs shall have been made to the town. (See Code of Virginia, § 15.2-904). (Amended April 5, 1999).

- (c) It shall be unlawful for any person, firm or corporation to keep more than two inoperable motor vehicles which are kept outside of a fully enclosed building or structure and which are shielded or screened from view by covers. (See Code of Virginia, § 15.2-904). (Amended April 5, 1999).

- (b) For the purposes of this section, the term "automobile graveyard" shall mean any lot or place which is exposed to the weather and upon which more than five motor vehicles of any kind, incapable of being operated, and which it would not be economically practical to make operative, are placed, located, or found. (See Code of Virginia, §33.1-348).
- (c) This section shall not be construed as authorization for the establishment or maintenance of any automobile graveyard.

(Enacted April 5, 1999).

§ 1-51. Public Dance Halls. Any person who, without a permit, operates a public dance hall within the town shall be guilty of a class 3 misdemeanor. Such permit may be obtained from the Town Council or an official designated by it upon satisfactory evidence that the applicant is a proper person to receive the same. The Town Council may revoke such permit at any time for good cause. Such permit shall prohibit minors from entering or remaining in such dance halls while dancing is conducted, unless accompanied by a parent or legal guardian, brother or sister of majority age, or upon written permission of such parent or legal guardian. Dance halls shall close from 12:00 midnight to 6:00 a.m. Monday through Friday and from 12:00 midnight Saturday to 6:00 a.m. Monday. Any person violating the provisions of such permit shall be guilty of a class 3 misdemeanor and subject to permit revocation by Town Council.

A "dance hall" is any place open to the general public where dancing is permitted; however, this section does not apply to dances held for benevolent or charitable purposes or where the same are conducted under the auspices of religious, civil, military or educational organizations. (See Code of Virginia, § 18.2-433).

Any excessive, unnecessary, or unusually loud noise or any noise which unreasonably annoys, disturbs, injures or endangers the comfort, health, safety, welfare, or environment of others within the town shall be unlawful. - (d) *Animals and birds:* the keeping of any animal or bird which, by causing frequent or long-continued noise, disturbs the health, comfort, safety, welfare, or peace and environment of any persons in the vicinity;

- (e) *Steam whistles:* the blowing of any locomotive steam whistle or steam whistle attached to any stationary boiler, except to give notice of time to begin or stop work, or as a warning of fire or danger, or upon the request of proper town authority;
- (f) *Schools, courts, churches, hospitals, nursing homes, public libraries:* the creation of any excessive noise on any street adjacent to any school, institution of higher learning, church, public library, or court while the same is in use, or adjacent to any hospital or nursing home which unreasonably interferes with the workings of such institution or which disturbs or unduly annoys patients in the hospital or nursing home, provided conspicuous signs are displayed upon such streets indicating the same is a school, court, church, hospital, nursing home, or public library;
- (g) *Sound reproduction devices:* the using or operating of any radio receiving set, musical instrument, phonograph, or other machine or devise for the producing or reproducing of sound in such a manner as to disturb unreasonably the peaceful environment of neighboring inhabitants. Such use or operation between the hours of 11:00 p.m. and 7:00 a.m. so as to be plainly audible outside the individual dwelling from which the sound emits shall be prima facie evidence of a violation of this subsection;
- (h) *Noise in public places:* the making by any person or persons of unreasonably loud or unnecessary noise, included but not limited to that made by musical instruments or human voices in public places within the town.

This section does not apply to noise made as a warning of danger or emergency.

This section is violated when a person making unlawful noise fails to comply with an order from police to control such noise. That person shall be guilty of a class 4 misdemeanor. The standards which shall be considered in determining whether a violation of this section exists include, but shall not be limited to, the

- (a) level of noise,
- (b) unusual nature of noise,
- (c) unnatural origin of noise,
- (d) proximity of noise to residential sleeping facilities,
- (e) nature and zoning of area from which noise emanates,

Any person owning real estate within the town upon which a drain or running water exists, must keep such real estate clean, free, and unobstructed from filth, garbage, vegetation, or other nuisance. Any person owning real estate within the town upon which exists a marshy place or stagnant water must drain or fill the same within thirty (30) days from receipt of written notice from the Town Council. If it is impractical to drain or fill such marshy place, effective petroleum treatment is required. If, after such reasonable notice, the owner or occupant of any such real estate fails to abate such nuisance, the town may do so and charge and collect the cost thereof in the same manner as local real estate tax. (See Code of Virginia, § 15.2-1115).

§ 1-53.1 Allowing Junk and Certain Other Materials to Accumulate or Remain on Property. It is hereby determined to be a nuisance and deleterious to the public welfare to allow to accumulate or to leave or allow to

remain on lots or parcels of land within the town, junk, trash, rubbish, refuse, garbage, waste materials, tires, parts of motor vehicles, construction materials, wheels, metal, plumbing fixtures or debris. Provided, this section shall not apply to uses specifically permitted by zoning or special use permits.

Such nuisances may be abated or removed by the Town Council, the Town Superintendent or any other delegated officer or employee. Written notice of the nuisance with an order for its abatement or removal shall be given to the owner or occupant of the property on which the nuisance exists. If the nuisance has not been abated or removed within 30 days of the notice the town may go upon the property and abate or remove it charging the cost to the owner, occupant, or both. The costs shall be collected in the same manner as the local real estate tax. Mailing of the notice to the owner at the address shown on the town's records and to the occupant at the street address shall constitute compliance with the requirements of this ordinance. Enforcement of this ordinance shall not exclude the town's right to proceed under other civil or criminal remedies. (See Code of Virginia § 15.2-1115). (Enacted April 5, 1999).
